

# Kitty

## 3-in-1 anti-mosquito device with repellent night light + sonic / ultrasonic emissions

- Effectiveness tested by the University of Camerino
- Variable sonic emissions (slightly audible) with 2 intensity levels and variable ultrasonic emissions
- Repellent night light
- Free from chemicals
- **Protection range up to 60 m<sup>3</sup> / 2118 ft<sup>3</sup> (indoors) and 2,5 m / 8.2 ft (outdoors)**
- Battery included. Life: 3 months (6 h/day)
- 5 year warranty

Kitty combines and uses 3 repellent technologies: sonic emissions (slightly audible), ultrasonic emissions and chromotherapy (yellow repellent light).

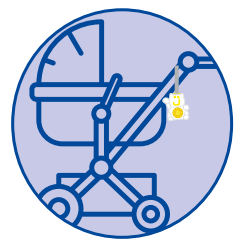

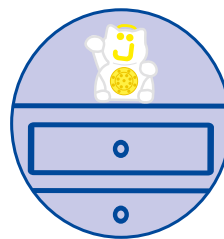

Kitty runs on a battery (included) and can be placed indoors (in the bedroom, next to the cot) or outdoors (hanging from a pushchair or bag). by plugging the mosquito repellent into the USB socket (not included), it lights up and becomes a companion light. The yellow light offers an additional repellent effect that disturbs mosquitoes.
